

This listing of claims will replace all prior versions, and listings, of claims in the captioned application:

Listing of Claims:

Claims 1-6 (Canceled)

Claim 7 (Currently Amended): A material comprising: 1) a first surface and a second surface opposite the first surface, the second surface forming a body facing surface 2) an adhesive composition disposed in a pattern on the first surface of the material, 3) a plurality of apertures in an area of said material not patterned with adhesive, and 4) flocked fibers applied to said adhesive composition, ~~wherein~~ said apertures ~~originate~~ originating in the second surface of the material and ~~extend~~ extending from said first surface to said second surface, ~~and~~ wherein said apertures are structured and arranged such that side walls of said apertures protrude away from the second surface and project outward from said first surface and wherein the flocked fibers and the apertures are arranged such that said flocked fibers surround a plurality of said apertures.

Claim 8 (Previously Presented): The material of claim 7, wherein the apertured material is a fibrous nonwoven web or a plastic film.

Claim 9 (Previously Presented): The material of claim 7, wherein the adhesive composition comprises an additive selected from the group consisting of hydrophilic materials, hydrophobic materials, superabsorbent polymers, pigments, and combinations thereof.

Claims 10-16 (Cancelled)
